

Objectives Sheet

CLE 030 - Integrated Testing

Course Learning/Performance Objectives followed by enabling learning objectives

CLE 030.U01.01	Recognize basics facts about a program's T&E strategy based on the general purpose of T&E in the defense acquisition life cycle
CLE 030.U01.01.01	Identify the purpose of T&E
CLE 030.U01.01.02	Identify the common types of T&E in most acquisition programs
CLE 030.U01.01.03	Identify the fundamental differences between DT and OT
CLE 030.U01.01.04	Identify the primary purpose of LFT&E
CLE 030.U01.01.05	Recognize how T&E is used in the certification and qualification processes
CLE 030.U01.01.06	Identify the primary purpose of certifications and qualifications
CLE 030.U01.01.07	Identify the purpose and structure (format) of the TEMP
CLE 030.U02.01	Recognize the major steps contained in Integrated Testing based on its general definition
CLE 030.U02.01.01	Define Integrated Testing
CLE 030.U02.01.02	Identify the goals of Integrated Testing
CLE 030.U02.01.03	Identify the benefits of collaborative planning
CLE 030.U02.01.04	Identify the benefits of collaborative execution
CLE 030.U02.01.05	Identify the benefits of data sharing
CLE 030.U02.01.06	Recognize Integrated Testing principles
CLE 030.U03.01	Recognize the importance of planning for Integrated Testing in test programs
CLE 030.U03.01.01	Identify the role of the T&E WIPT as it supports Integrated Testing
CLE 030.U03.01.02	Recognize the organizations which make up the T&E WIPT
CLE 030.U03.01.03	Recognize the importance of planning for Integrated Testing early in the life cycle
CLE 030.U04.01	Recognize the benefits and challenges of applying the Integrated Testing concept
CLE 030.U04.01.01	Identify the benefits of applying the Integrated Testing concept
CLE 030.U04.01.02	Identify the challenges of applying the Integrated Testing concept
CLE 030.U05.01	Identify real world examples of the Integrated Testing concept
CLE 030.U05.01.01	Recognize the Integrated Testing concepts applied in the Joint and Allied Threat Awareness System test program
CLE 030.U05.01.02	Recognize the Integrated Testing concepts applied in the Marine's Common Aviation Command and Control System
