# Objectives Sheet

## CMQ 231 - Data Collection and Analysis Application

*Course Learning/Performance Objectives followed by enabling learning objectives*

| | |
|---|---|
| **CMQ 231.U01.01** | **Given prerequisite course material, recall data collection and analysis (DC&A) concepts** |
| CMQ 231.U01.01.01 | Recall the importance of data collection and analysis |
| CMQ 231.U01.01.02 | Identify Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) requirements fo rthe evaluation of quality data |
| CMQ 231.U01.01.03 | State Defense Contract Management Agency (DCMA) recommended frequiencies for data collection |
| CMQ 231.U01.01.04 | Identify Sources of Data |
| CMQ 231.U01.01.05 | List the types of data to be collected |
| **CMQ 231.U02.01** | **Given scenarios, perform data collection and analysis on small and medium sized suppliers** |
| CMQ 231.U02.01.01 | Demonstrate data collation concepts in organizing a data structure |
| CMQ 231.U02.01.02 | Perform data analysis based on the data analysis concepts |
| CMQ 231.U02.01.03 | Interpret the results of data analysis |
| CMQ 231.U02.01.04 | Using data collected and analyzed, identify adjustments to the Risk Profile and Plan (RPP) |
| CMQ 231.U02.01.05 | Provide rationale to the First Level Supervisor (FLS) for the surveillance plan adjustments |
| **CMQ 231.U03.01** | **Given scenarios, perform data collection and analysis on large-sized suppliers** |
| CMQ 231.U03.01.01 | Demonstrate data collation concepts in organizing a data structure |
| CMQ 231.U03.01.02 | Perform data analysis based on the data analysis concepts |
| CMQ 231.U03.01.03 | Interpret the results of data analysis |
| CMQ 231.U03.01.04 | Using data collected and analyzed, identify adjustments to the Risk Profile and Plan (RPP) |
| CMQ 231.U03.01.05 | Acting as a Program Support Team (PST) member, present data collection and analysis to the instructor, who will act as a commander |
