

Objectives Sheet

CON 091 - Contract Fundamentals

Course Learning/Performance Objectives followed by enabling learning objectives

| | |
|-----------------------|---|
| CON 091.U01.01 | Determine the applicability of policies and procedures in the FAR, DFARS, DFARS PGI, and DoD class deviations. |
| CON 091.U01.01.01 | Identify basic background information pertaining to the FAR, DFARS, and DFARS PGI. |
| CON 091.U01.01.02 | Recognize the organization and arrangement of the FAR, DFARS, and DFARS PGI. |
| CON 091.U01.01.03 | Given a DoD acquisition scenario, apply information contained in the FAR/DFARS/DFARS PGI/Class Deviations. |
| CON 091.U01.01.04 | Recall the general policy for authorizing deviations from the FAR and DFARS. |
| CON 091.U01.01.05 | Apply the conventions for interpreting the FAR. |
| CON 091.U01.01.06 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U02.01 | Apply the principles of contract formation. |
| CON 091.U02.01.01 | Indicate the information included in the parts and sections of the Uniform Contract Format (UCF). |
| CON 091.U02.01.02 | Recognize the essential elements of a contract. |
| CON 091.U02.01.03 | Identify the types of contractual authority. |
| CON 091.U02.01.04 | Match the various contract forms to their conditions for use. |
| CON 091.U02.01.05 | Determine the policies and procedures for assigning contract line item numbers. |
| CON 091.U02.01.06 | Identify the general policies for describing agency needs. |
| CON 091.U02.01.07 | Compare the types of requirements documents and the order of precedence for their use. |
| CON 091.U02.01.08 | Differentiate between the various types of appropriations used by the U.S. Government to procure products and services from contractors. |
| CON 091.U02.01.09 | Recall the criteria for funds to be legally available for use for a DoD contract. |
| CON 091.U02.01.10 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U02.02 | Given a DoD acquisition scenario, choose the information that would be included in a solicitation or contract. |
| CON 091.U02.02.01 | Apply the terms and conditions that would be included in a solicitation or contract. |
| CON 091.U02.02.02 | Determine the applicability of a given solicitation provision or contract clause. |
| CON 091.U02.02.03 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U03.01 | Differentiate between the types of contracts, and apply the policies and procedures for use in DoD acquisitions. |
| CON 091.U03.01.01 | Compare the words and terms used to describe a pricing arrangement and the words and terms used to describe a delivery/quantity arrangement. |
| CON 091.U03.01.02 | Indicate the policies for selecting a contract type. |
| CON 091.U03.01.03 | Recognize the properties of various cost and pricing arrangements. |
| CON 091.U03.01.04 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U03.01.05 | Given a DoD acquisition scenario, choose which contract types may be used. |
| CON 091.U03.02 | Given a DoD acquisition scenario, determine the applicability of the policies and procedures for small business subcontracting. |
| CON 091.U03.02.01 | Apply the rules for small business set-asides. |
| CON 091.U03.02.02 | Determine the applicability of a given solicitation provision or contract clause. |
| CON 091.U03.02.03 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U03.03 | Apply the policies and procedures for using simplified acquisition procedures. |
| CON 091.U03.03.01 | Recognize the policies for the use of simplified acquisition procedures. |
| CON 091.U03.03.02 | Given a DoD acquisition scenario, select the most appropriate simplified acquisition method to be used. |
| CON 091.U04.01 | Determine the applicability of the policies and procedures for contract administration. |
| CON 091.U04.01.01 | Identify the policies and procedures for the postaward orientation of contractors. |
| CON 091.U04.01.02 | Recognize the policies and procedures for assigning and performing contract administration. |
| CON 091.U04.01.03 | Apply the policies and procedures for contractors' management and use of Government property. |
| CON 091.U04.01.04 | Interpret the policies and responsibilities for recording and maintaining contractor performance information. |
| CON 091.U04.01.05 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |

Objectives Sheet
CON 091 - Contract Fundamentals

Course Learning/Performance Objectives followed by enabling learning objectives

| | |
|-----------------------|--|
| CON 091.U04.02 | Differentiate between the types of indefinite-delivery contracts, and determine when they may be used in DoD acquisitions. |
| CON 091.U04.02.01 | Identify the characteristics of the three types of indefinite-delivery contracts. |
| CON 091.U04.02.02 | Recognize the policies and procedures for using multiple-award and single-award IDIQ contracts. |
| CON 091.U04.02.03 | Recall the policies and procedures for establishing and using indefinite-delivery contracts. |
| CON 091.U04.02.04 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U04.03 | Differentiate between the types of agreements, and determine when they may be used in DoD acquisitions. |
| CON 091.U04.03.01 | Interpret the policies and procedures for establishing and using agreements. |
| CON 091.U04.03.02 | Identify the characteristics of agreements. |
| CON 091.U04.03.03 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U05.01 | Given a DoD acquisition scenario, determine the applicability of the policies and procedures for preparing and processing contract modifications. |
| CON 091.U05.01.01 | Apply the policies and procedures for contract modifications. |
| CON 091.U05.01.02 | Demonstrate the policies and procedures for issuing a change order. |
| CON 091.U05.01.03 | Produce the proper contractual documents for issuance of a modification. |
| CON 091.U05.01.04 | Demonstrate the policies and procedures for the use of options. |
| CON 091.U05.01.05 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U05.02 | Given a DoD acquisition scenario, determine the applicability of the policies and procedures for terminating DoD contracts. |
| CON 091.U05.02.01 | Apply the policies and procedures for terminating DoD contracts. |
| CON 091.U05.02.02 | Produce the proper contractual documents for terminating a DoD contract. |
| CON 091.U05.02.03 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
| CON 091.U05.03 | Given a DoD acquisition scenario, execute the process for addressing a contract performance issue. |
| CON 091.U05.03.01 | Present the appropriate actions to be taken to address a chosen performance issue. |
| CON 091.U05.03.02 | Describe contractor and Government responsibilities for contract quality assurance. |
| CON 091.U05.04 | Given a DoD acquisition scenario, determine the applicability of the policies and procedures for closing out DoD contracts. |
| CON 091.U05.04.01 | Apply the contract closeout policies and procedures. |
| CON 091.U05.04.02 | Choose which contract closeout actions may apply. |
| CON 091.U05.04.03 | Provide a citation to the part, subpart, section, subsection, or paragraph level in the FAR/DFARS/DFARS PGI/Class Deviations to support a position. |
