

Objectives Sheet

IND 105 - Contract Property Fundamentals

Course Learning/Performance Objectives followed by enabling learning objectives

IND 105.U01.01	Given the need to control and account for Government property under the Chief Financial Officer Act (CFOA), recognize Office of Secretary of Defense (OSD) policy for managing that property.
IND 105.U01.01.01	Recognize the purpose of the Chief Financial Officers Act
IND 105.U01.01.02	Recognize the authorities and functions of the Agency CFO related to property management.
IND 105.U01.01.03	Associate the DoD Instructions applicable to property management with their purposes.
IND 105.U01.01.04	Identify the requirements of DoD Instruction 5000.64.
IND 105.U02.01	Given a contract, perform contract receipt and review.
IND 105.U02.01.01	Recognize the elements of a contract.
IND 105.U02.01.02	Identify the meaning of each of the elements of a contract.
IND 105.U02.01.03	Identify the uniform contract format.
IND 105.U02.01.04	Explain the order of precedence of requirements within a contract.
IND 105.U02.01.05	Identify the elements of contract receipt and review.
IND 105.U03.01	Given the need to make an acquisition via a Government contract, recognize the Government policy on providing property to contractors.
IND 105.U03.01.01	Recognize the Government's policy for providing Government property to contractors in accordance with the FAR and the DFARS PGI.
IND 105.U03.01.02	Recognize when it might be in the Government's best interest to furnish property to contractors.
IND 105.U03.01.03	List the responsibilities of acquisition team members when Government property is being provided to contractors.
IND 105.U04.01	Given the need to perform contract property administration, recognize the responsibilities and authorities of Property Administrator.
IND 105.U04.01.01	Identify the responsibilities of a Government Property Administrator.
IND 105.U04.01.02	Identify the authorities of a Government Property Administrator.
IND 105.U05.01	Given a contract with the Government property clause, explain FAR 52.245-1.
IND 105.U05.01.01	Identify when the Government Property clause of FAR 52.245-1 must be inserted in a contract.
IND 105.U05.01.02	Recognize Government property related terms.
IND 105.U05.01.03	Associate the classifications of Government property provided to contractors with their characteristics.
IND 105.U05.01.04	Recognize the contractor's property management system requirements under FAR 52.245-1.
IND 105.U06.01	Given the requirement to review a contractor's written property management procedure, analyze the procedures to determine acceptability based on the required outcomes and processes identified in FAR 52.245-1(f)(1).
IND 105.U06.01.01	Recognize the purpose of contractor written property management procedures.
IND 105.U06.01.02	Recognize the essential elements that should be addressed in the contractor's written procedures for each outcome and process.
IND 105.U06.01.03	Identify outcomes and processes contractors are required to establish under FAR 52.245-1(f)(1).
IND 105.U07.01	Determine how the Government may take title to property under a contract.
IND 105.U07.01.01	Identify who has title to Government-furnished property under FAR 52.245-1.
IND 105.U07.01.02	Determine who has title to contractor-acquired property under FAR 52.245-1 .
IND 105.U07.01.03	Recognize who has title to property ordered from a Government Source of Supply under FAR 52.251-1.
IND 105.U08.01	Given an incident of loss involving contract Government property, demonstrate the contractor's and Government's responsibilities under the contract.
IND 105.U08.01.01	Distinguish limited risk of loss from full risk of loss.
IND 105.U08.01.02	Identify contractor responsibilities for reporting loss of Government property under FAR and DFARS.
IND 105.U08.01.03	Identify Property Administrator responsibilities when loss of Government property has been reported by the contractor.
IND 105.U08.01.04	Identify the conditions under which the Property Administrator shall determine relief of stewardship responsibility and/or recommend liability.
IND 105.U08.01.05	Identify property loss provisions under the Government Flight Risk Clause of DFARS 252.228-7001.
IND 105.U09.01	Given an Installation Operations Services contract with the Government property clause, recognize how FAR 52.245-2 applies.
IND 105.U09.01.01	Identify the appropriate contract type to use with FAR 52.245-2.
IND 105.U09.01.02	Identify the requirements of FAR 52.245-2.
IND 105.U09.01.03	Identify why the Government Property Clause at FAR 52.245-2 must be used with FAR 52.245-1.

Objectives Sheet

IND 105 - Contract Property Fundamentals

Course Learning/Performance Objectives followed by enabling learning objectives

IND 105.U10.01	Given a Government contract with other property related FAR and DFARS clauses, identify their applicability to the contractor's Property Management System (PMS).
IND 105.U10.01.01	Recognize other contract clauses that impact Government Property.
IND 105.U10.01.02	Identify the FAR and DFARS clauses that must be in the contract when FAR 52.245-1 is present.
IND 105.U10.01.03	Associate the contractor business systems that are relevant to the contractor's property management system with their clauses.
IND 105.U11.01	Given the need to remove Government property from a contract, recognize the statutes that drive Government property disposal.
IND 105.U11.01.01	Recognize aspects of the Federal Property and Administrative Services Act of 1949.
IND 105.U11.01.02	Recognize the executive orders that impact Government property disposal.
IND 105.U11.01.03	Identify Government property disposal regulations.
IND 105.U12.01	Given an incident of excess Government property, recognize contractor requirements for disposal.
IND 105.U12.01.01	Define terms associated with disposal of Government property.
IND 105.U12.01.02	Identify contractor predisposal requirements under FAR 52.245-1(j).
IND 105.U12.01.03	Recognize the information that contractors need to report on inventory disposal schedules under FAR 52.245-1(j) and DFARS 252.245-7004(b).
IND 105.U12.01.04	Recognize the contractor's inventory disposal schedule submission requirements under FAR 52.245-1(j) and DFARS 252.245-7004(b).
IND 105.U12.01.05	Recognize the contractor's storage requirements for contractor inventory reported on inventory disposal schedules under FAR 52.245-1(j).
IND 105.U12.01.06	Recognize the scrap disposal process under FAR 52.245-1(j) and DFARS 252.245-7004.
IND 105.U12.01.07	Recognize the contractor's required actions when completing disposition instructions.
IND 105.U13.01	Given the need to dispose of contract Government property under a contract, recognize the responsibilities and authorities of a Plant Clearance Officer (PLCO).
IND 105.U13.01.01	Identify the responsibilities of the PLCO in the disposal of Government property.
IND 105.U13.01.02	Identify the authorities of a PLCO in the disposal of Government property.
IND 105.U13.01.03	Recognize the procedures that a PLCO must follow after receiving an inventory disposal schedule.
IND 105.U13.01.04	Recognize the reutilization priorities that a PLCO must use for the disposition of Government property.
IND 105.U13.01.05	Recognize the elements of a plant clearance case established by a PLCO.
IND 105.U13.01.06	Recognize the inventory verification processes performed by a PLCO. (Inventory disposal schedules include allocability review for termination inventory.)
IND 105.U13.01.07	Explain the two types of screening of excess Government property that a PLCO performs.
IND 105.U13.01.08	Recognize the PLCO disposal options.
IND 105.U13.01.09	Identify when a PLCO may authorize donation surplus property.
IND 105.U13.01.10	Recognize when the PLCO may abandon sensitive and non-sensitive Government Property.
IND 105.U14.01	Given the need to transfer DoD export-controlled personal property to parties within or outside of the United States, recognize the statutes required to implement Trade Security Controls.
IND 105.U14.01.01	Recognize the regulations required to implement Trade Security Controls policy for export -controlled DoD personal property to be transferred outside of DoD control.
IND 105.U14.01.02	Identify items covered by the International Traffic In Arms Regulation (ITAR).
IND 105.U14.01.03	Identify items covered by the Export Administration Regulations (EAR).
IND 105.U15.01	Given the need to dispose of contract Government property requiring demilitarization, recognize the process of demilitarization.
IND 105.U15.01.01	Identify contractual requirements for demilitarization (SOW, CLIN, Special provision).
IND 105.U15.01.02	Identify the funding requirements for demilitarization.
IND 105.U15.01.03	Recognize the regulations requiring demilitarization.
IND 105.U15.01.04	Recognize the demilitarization codes.
IND 105.U16.01	Given the need to dispose of contract Government property recognize the sales process for surplus Government property.
IND 105.U16.01.01	Recognize the sales processes.
IND 105.U16.01.02	Recognize the bid process.
IND 105.U17.01	Recognize the Government's strategy for risk management in relationship Government property.
IND 105.U17.01.01	Recognize risk management terms.

Objectives Sheet

IND 105 - Contract Property Fundamentals

Course Learning/Performance Objectives followed by enabling learning objectives

IND 105.U17.01.02	Identify the five steps of the risk management process.
IND 105.U17.01.03	Identify how the risk management process applies to Government property administration.
